

## THANKSGIVING CLOSING NOTICE

**The residence halls will close for Thanksgiving at 2 PM on Wednesday, November 25, 2009. All residents (except those registered to remain in Mohawk, Windham, Whitney, Champlain, Lehman, Susquehanna, or Hillside) must vacate the halls by this time.**

Unless you are assigned to a break housing hall as listed above, all residents, including international students, who plan on remaining in the Binghamton area over break should finalize their off-campus arrangements well before the closing date.

### **Before leaving your residence hall, you must:**

- Unplug all electrical devices (excluding refrigerators).
- Close and lock all windows and doors.
- Close and lower blinds three-quarters down.
- Remove all perishable food and trash from your room and hall.
- Please keep in mind that the heat will be substantially reduced. Plants that may be negatively affected by the temperature change should be removed.

**Please note: A staff member will be checking each room to see that safety and maintenance conditions have been met.**

If you leave a car on campus, please park it in Lot S2, H, M1, or ZZ North or South for security and snow emergency reasons.

**Halls re-open at 2 PM on Sunday, November 29, 2009.** If you plan to arrive before the halls re-open, you should arrange for a place to stay off campus until the halls open.

**HAVE A HAPPY AND SAFE BREAK!**
